

REMARKS

The Office Action objected to claim 1 under Section 112 and rejected claims 1-11, 13-18 and 20-29 as anticipated by Simske et al. The Office Action also noted claims 12, 19 and 30 as allowable.

Although Applicants respectfully traverse the rejections, but to expedite allowance of the allowed claims, Applicants have amended the claims and submit that all claims are allowable. Applicants reserve the right to re-present the rejected claims in a continuation to argue the merits of those claims.

Applicants respectfully submit that all claims are in condition for allowance. Withdrawal of the rejection is respectfully requested. If for any reason the Examiner believes that a telephone conference would in any way expedite prosecution of the subject application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,
